OUR CHURCH

Our Anniversary Prayer

O Lord, God, our Heavenly Father,
Who has built Thy Church upon
the foundation of the Apostles and Pro-
phets, Jesus Christ being the chief corner-
stone: Grant that by the operation of the
Holy Spirit, we who are united together
in this congregation may be so joined in
unity of spirit and in the bond of peace
that we may be a holy temple acceptable
to Thee. For thirty-five years of abundant
blessing do we thank and praise Thee.

Grant that we may continue stead-
fast in the faith unto life eternal.

Through Jesus Christ
our Lord
Amen.

THE PARSONAGE, ERECTED 1909

Foreword

The Irving Park Lutheran Church is a typical American church organization. Begun originally with a group of folk using the Swedish language exclusively, it has gradually expanded its charter of service to include twenty-two nationalities, ministering to them in the language of our country. While the original national group is still functioning, and that right energetically, their children and children's children know little of the language and use it either sparingly or not at all. Regardless of this, however, the cultural and religious content which has been handed down is such that it will take many a generation to obliterate the same, if ever. This is one of the reasons why a church like that of the Irving Park Lutheran congregation is so rich in heritages, for with a constituency coming from these various nationalities where Swedish, German, Norwegian, Danish, etc., minds meet, the result is that of a more far-reaching interest than would be possible if the grouping were only of one cultural and religious trend.

As you read thru this Thirty-Fifth Anniversary Album and note the stories of our organizations, the pictures of individuals and groups, and go over the roster of names, addresses and telephone numbers of our membership, may you gratefully turn to God and thank Him for a part in this militant Kingdom, and then loyally and sacrificially, if need be, help to carry on thruout the years that lie before.

While this booklet sets forth the visible growth and development, there is another side which neither statistics nor a year book can portray, viz., that of our spiritual selves and the membership that has already gone into God's eternal Kingdom.

May we be faithful to our trust, so that when the day comes that our work shall be tested, we may be found among those who have fought the good fight and are to be crowned as victors.

Faithfully,

JOSHUA ODEN, *Pastor.*

GREETINGS!

THIRTY-FIVE years of work and progress in the Kingdom of God is the achievement of the Irving Park Lutheran Church. It has been under the hand of God that this achievement has been made. To Him alone be the glory! ¶ To every member, young and old, this Thirty-fifth Anniversary Year Book is a reminder of the necessity for continued faithfulness. It is a challenge to the younger leadership of our church to carry on from where the fathers have brought the work. We dare not—we must not stop. The next fifteen years will bring us to the half century mark. Until then, may we labor faithfully. ¶ “Be thou faithful unto death, and I will give thee the crown of life.” Rev. 2:10.

Faithfully Yours

GROUP OF CONGREGATION AT 9:30 A.M. WORSHIP

Dr. Martin Luther

A Meditation

DR. MARTIN LUTHER

Now abideth faith, hope, charity, these three; but the greatest of these is charity (love). 1 Cor. 13:13.

Paul's statement that love is greater than faith and hope is intended as an expression of the permanence, or eternal duration of love. Faith, being limited as to time in comparison with love, ranks beneath it for the reason of this temporary duration. With the same right I might say that the kingdom of Christ is greater upon earth than was Christ. Thereby I do not mean that the Church in itself is better and of higher rank than Christ, but merely that it covers a greater part of the earth than He compassed; for He was here but three years, and those He spent in a limited sphere, whereas His Kingdom has been from the beginning and is coextensive with the earth. In this sense, love is longer and broader than either faith or hope. Faith deals with God merely in the heart and in this life, whereas the relations of love both to God and the whole world are eternal. Nevertheless, as Christ is immeasurably better and higher and more precious than the Christian Church, altho we behold Him moving within smaller limits and as a mere individual, so is faith better, higher and more precious than love, tho its duration is limited and it has God alone for its object.

Paul's purpose in thus extolling love is to deal a blow to false teachers and to bring to naught their boasts about faith and other gifts when love is lacking. He means to say: If we possess not love (charity), which abides forever, all else of which you boast being perishable, ye will perish with it. While the Word of God and spiritual gifts are eternal, yet the external office and proclamation of the Word, and likewise the employment of gifts in their variety, shall have an end, and thus your glory and pride shall become as ashes. So then faith justifies thru the Word and produces love. But while both Word and faith shall pass away, righteousness and love, which they effect, abide forever; just as a building erected by the aid of scaffolding remains after the scaffolding has been removed. Love gives and blesses the neighbor, as a result of faith, and it shall never be done away.

Thirty-Five Years of Progress

The story of the Irving Park Lutheran Church is one that is romantic from its very beginning. Organized as it was on the evening of December 30, 1903, in the home of Mr. and Mrs. L. M. Nelson, residing at the southwest corner of Harding and Belle Plaine Avenues, the congregation, on the 30th of December this year, will commemorate the Thirty-Fifth Anniversary with a birthday gathering for fellowship and thanksgiving.

The first five years of the congregational life were years of mingled experiences of both joy and sorrow. There was a question in the mind of many whether the "child" would live. At five years of age the young congregation took on a new lease of life, and looking back over the statistics covering the last thirty years we find that there has been one continual growth, thanks to the fine loyalty of a majority of the church members and the blessing of God that has rested upon her.

Every congregation develops a personality of its own. There are no two congregations alike, just as there are no two persons alike. These personalities, we dare say, are God-given, for they portray the inner soul and life, the thinking and direction, and the interest and talent which God has placed in that part of His body which forms the local congregation. The Irving Park Lutheran Church has a personality of its own. It differs from any other church, just as other churches differ from ours. There has always been a spirit of progression and a willingness on the part of a wide awake leadership to step out, and a faith in God and man which, thruout all these many years, has ever been its source of strength.

While the Irving Park Lutheran Church to-day is a community church, it is also much more than that. Its membership was originally from only the community, and many were within walking distance. To-day, however, its membership reaches out all over the north and west sides. The automobiles parked around the church on Sunday mornings bear such license tags as Evanston, Oak Park, Park Ridge, Des Plaines, Arlington Heights, Libertyville, etc., etc., showing that our members drive in from the outlying suburbs to be present at our church services. Regardless of this, there is a feeling of neighborliness, and when we adopted the slogan, "The Church With the Friendly Spirit," it was with the thot in mind that, regardless of a growth in numbers, we must never lose that personal touch of fellowship which is always to be found in a smaller group.

It is, therefor, that our congregation is divided into ninety-four smaller groups with a commissioner at the head of each. The object of these groups

is simply that of keeping alive the spirit of fellowship thru personal contact in the home, in society, at church services and such functions as the congregation arranges for from time to time. Our desire and aim is that every member be active, and to be active it is necessary to be interested.

The future of the Irving Park Lutheran Church, with its present-time organization, should be a bright one, and with the new equipment that is being added from time to time and the fine interest and spirit of loyalty manifested thruout all of its organizations, the next fifteen years, bringing us to the fiftieth anniversary, should show marked progress.

In it all, however, the most important is not the material and physical set-up, but that the Word of God be preached in its purity, that the standard of Jesus Christ be held high, that the cross become the center of our thots, and that the atonement in Christ the Saviour be manifested to the salvation of souls unto the eternal Kingdom. Unto this end may our congregation live, work and prosper!

The Staff

MILDRED E. BOGREN

While our volunteer workers are many and willing, it is necessary that a church of our size have a staff of men and women who give all of their time to the planning and direction of the work. The Irving Park Lutheran Church has a volunteer staff of well nigh 300 workers. The paid staff consists of the following:

The Pastor, Dr. Joshua Oden, who came to the congregation on July 4, 1908, and has now served for thirty years;

Miss Mildred E. Bogren, Pastor's and Office Secretary, who was added as a paid worker on September 7, 1920;

Mr. Harry T. Carlson, organist and director of music, who joined our ranks on October 1, 1921;

Mr. Carl M. Andersen, our sexton and custodian, who began his work at 8 o'clock on Monday morning, May 9, 1926;

Miss Edna V. Magnuson, parish visitor and director of religious education, whose stay dates back to September 1, 1928;

Rev. Philip Thelander, who has assisted in full time service, and now in part time, over a period of seven years;

Mrs. Laura Atkinson, who has been the director of advertising of "The Irving Park Lutheran Church Tidings" since October, 1931;

Mrs. Mary Wagner, housekeeper since May 1, 1937;

Mrs. Sophia Swanstrom Young, our Director of Religious Drama, since October, 1937;

Mr. Paul Lorimer, who, serving his theological interne year, began his work in Irving Park on June 2, 1938;

Mr. C. H. Anderson, who was elected by the Board of Regents to fill the new office of Director of Finance, created by the congregation at its annual meeting on October 6, 1938.

A more loyal staff will be difficult to find. Where others are putting in forty-hour weeks at their work, it is not unusual for members of our staff to put in from eighty to ninety hours a week—and willingly do they do this.

A part of the staff meets every Tuesday morning for a review of the previous week's work and the planning of the program for the following week.

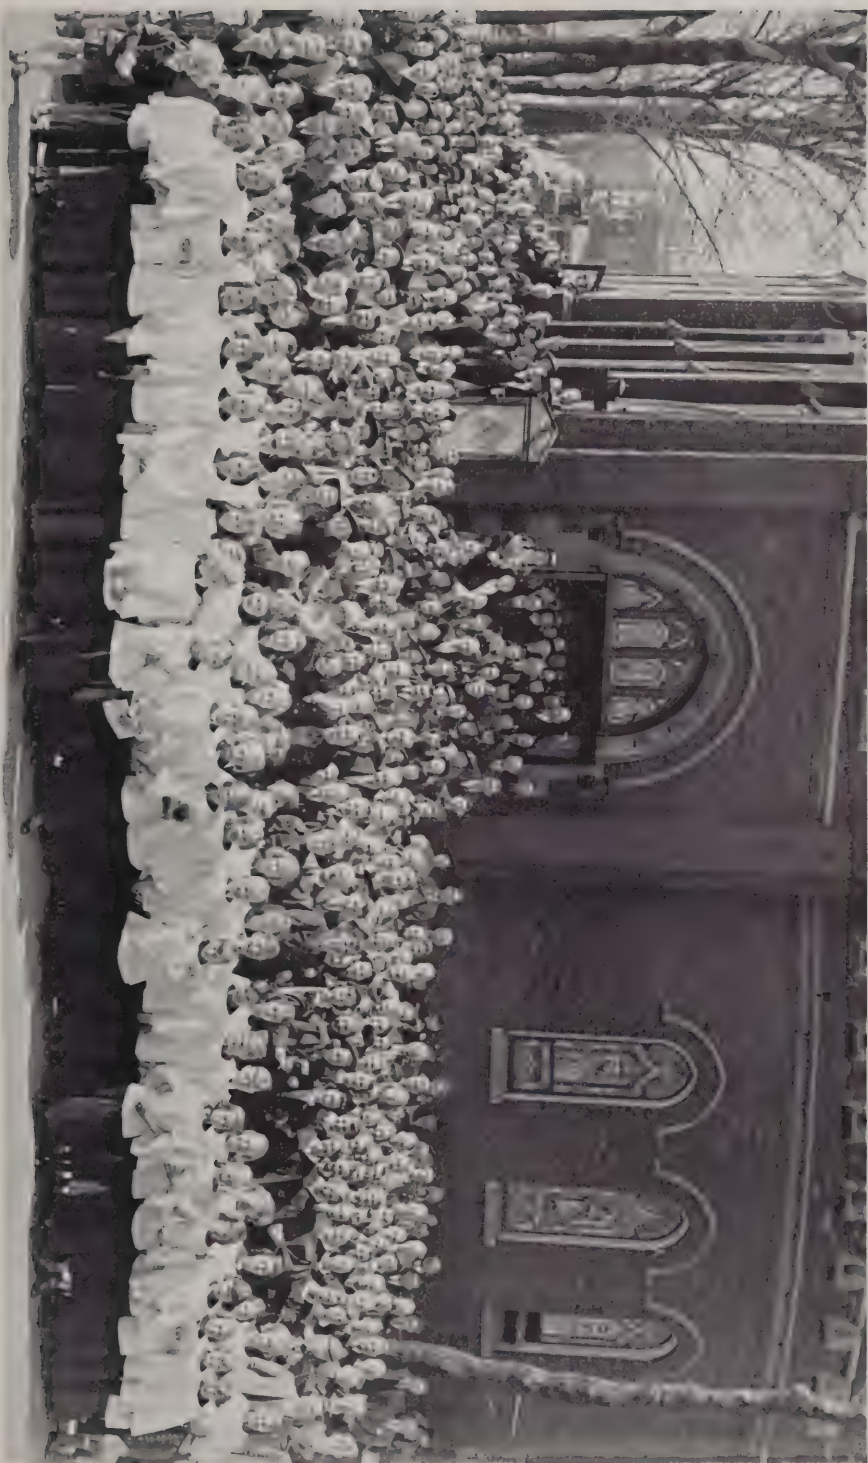

The Pastor, during each summer's vacation, works out a program of activities for the year, and goals are carefully set and in most cases accomplished. The program of the Irving Park Lutheran Church is not a haphazard one, but one that moves steadily onward as God gives strength and opportunity.

Our congregation is fortunate in having a staff of such fine and highly trained men and women, and these workers are grateful for the privilege of serving and giving of themselves. They appreciate the fine co-operation of the Boards, and the splendid assistance of the leadership in the various societies.

Publicity

The "Irving Park Lutheran Church Tidings" is the house organ of the church. Each year ten issues are sent out, each one containing the history of the work accomplished during the previous month, and announcements with reference to coming events. By means of the "Tidings" our congregation is kept informed of the work that is being done from week to week, but it is also making and conserving history, for the "Tidings" is the storehouse of much information which would otherwise easily be lost.

The congregation has published the "Tidings" thru the Board of Regents. Last year, however, the Board of Trustees took upon itself the responsibility for the management of the publication, calling Mrs. Laura Atkinson, who had served as business manager for a number of years, to act in the capacity of Director of Advertising. Her tireless efforts have made the "Tidings" financially able to carry itself so that it has not been a liability to the congregation. Even tho the congregation should be compelled to make

GROUP OF CONGREGATION AT 11 A. M. WORSHIP

BOARD OF REGENTS

a contribution toward the publishing of the "Tidings," this expenditure would be well worth while. We are, therefore, very happy that the work of Mrs. Atkinson has made it possible for the "Tidings" to carry itself. Pastor and Miss Bogren have edited this monthly sheet. Societies have their reporters who each month send in items of interest and such notices as should have a wider publicity.

The National Religious Press has printed our "Tidings" for a number of years, but Hamlander Brothers took over the printing with the November, 1938, issue. Their fine, efficient and artistic work has enhanced the value of the "Tidings" until we think we have one of the best printed congregational papers.

We also publish a four-page weekly Bulletin containing the program for the Sunday services, announcements for the week and such other items of interest, calling our attention to coming events, etc., as the week may call for. Both the "Tidings" and the Bulletin are appreciated by our membership. Many have kept these "Tidings" and Bulletins from year to year and have had them bound.

Irving Park has always been fortunate in her publicity. Many of us will remember the heroic contribution of Mr. Harold F. Johnson and the beautiful printing which he gave to the church. We keep this as one of the beautiful memories of our formative period.

From the office there is sent out each month a congregational letter thru which our membership is kept informed of income and outlay, of our financial status, as well as the special programs and services which are being conducted from time to time. That our people appreciate this has been shown by the increased contributions which have been made.

We are grateful to the Northwest News, the Chicago Tribune, the Chicago Daily News, the Swedish American Tribune and other papers, for their generosity in giving us publicity. The best publicity, however, is that of our membership as they publicize the work of the church from week to week among their friends and acquaintances.

We are also fortunate in having equipment and artistic ability among the staff for the making of posters, etc., which are placed on display from time to time.

Board of Regents

The Board of Regents of the Irving Park Lutheran Church is unique in that it is the only "Board of Administration" of its kind in the Augustana Synod. It is composed of the Board of Deacons, the Board of Trustees, and

the Board of Stewards, and occasionally the Board of Deaconesses, (or Parish Visitors) also sits in. This makes a group of forty-eight men and women who, directly, officially, and because of their consecration are deeply interested in the welfare of the church.

The Board meets the second Wednesday of each month when reports from each of its constituent Boards are presented, and matters of general interest are debated into the clear.

The Irving Park Lutheran Church Board has never been composed of "yes men." We encourage the expression of opinion even to that of controversy at times, but when a matter has been settled, the Board has always shown a fine "esprit de corps," and has worked together toward the common end of the welfare of the church.

The Pastor is ex officio president of the Board, and during the anniversary year, Mr. E. T. Stille has served as vice chairman, and Mr. Arthur C. Swanlund as secretary. Mr. E. T. Stille has been elected as vice chairman for the year 1939.

Any pastor would have reason to feel proud of a Board of this kind and size, for there is wonderful comfort in knowing that back of any undertaking there are forty-eight who have loyally pledged themselves to a wholehearted support.

The Board of Deacons

F. EDWARD CHINDBLOM

The Board of Deacons, or, as it is officially known, the Church Council, is the religious and spiritual governing body of the Church. Under its jurisdiction falls the watchful guidance and regulation of the Church School, the summer vacation school, the calling on the sick, the conducting of the church services, as well as other activities in which the spiritual stress and emphasis is laid. Its members are responsible for and must see to it that all social and entertainment gatherings are within and in accordance with the rulings of the church.

Our present Board of Deacons is a credit to our congregation. The men are all spiritual-minded, and of fine, consecrated, Christian character. In addition to the duties above mentioned, they have looked to our destitute families and individuals, rendered financial help where necessary, have given themselves to the raising of missionary funds, have visited shut-ins reading selected passages from the Book of books and receiving and giving testimonies of a personal Christian experience in life. They have prayed with

the sick and led their minds to God our Father and our Redeemer, Jesus Christ. They have pointed to Him as being an ever-present help in time of trouble.

Our Board of Deacons is also responsible for approving applicants for membership in our church. To be a member of the Board of Deacons, therefore, is a keen responsibility. The constitution of the congregation makes the Board of Deacons the board of education for the church. Therefore, it carefully watches the development of the religious education of our children and youth, and the superintendent of the Church School is a member.

The Board meets once a month at the home of one of its members, where, in addition to the rather wide scope of business which it is called upon to discuss and conduct pertaining to the upbuilding of the Kingdom of God, time is always found for fine social moments together around the table, where the host and hostess set forth the dainties that have been prepared.

As we now celebrate our Thirty-Fifth Anniversary, we naturally look back upon the history of our work and Board, but it is especially in these last ten years that we are more particularly interested at this time. During this decade about one hundred men of the church have served on the Board. In this ten-year period many experiences have been ours. Some of our Deacons have gone to their reward.

May we so live and carry on the work set before us that the future days might be as happy and beautiful as have the past, and that the Lord may say to us, "Well done, good and faithful servant; thou hast been faithful over a few things, I will set thee over many things; enter thou into the joy of thy lord."

The Pastor is the chairman of the Board of Deacons, and during the anniversary year Mr. F. Edward Chindblom has served as vice chairman, Mr. Arthur L. Johnson as secretary, Mr. Carl Carlson as mission secretary. The Altar Committee has consisted of Mr. Emil F. Stubenrauch, Mr. Arthur Swanlund and Mr. Chindblom. Mr. Carl Johnson, and Mr. Folke B. Goranson have constituted the Hymn Board Committee, and the Charity Committee has consisted of Mr. E. G. Lindstrand, Mr. George P. Traxel and Mr. E. G. Anderson. The above named together with Mr. Arthur E. Johnson and Mr. George G. Rieker have constituted the membership of the Board of Deacons. Mr. Folke B. Goranson was elected to serve as vice chairman during 1939.

Board of Trustees

GEORGE G. LARSON

Because the Board of Trustees deals with the temporal and material things, those things which can be seen, there is a certain glamor and interest in this Board which no other phase of our church work can hold forth. The Board of Trustees has been privileged to give itself unstintedly to the material development of the church during these thirty-five years, and its record is one that reflects a careful, conscientious and forward-looking leadership.

While it must now account for thousands upon thousands of dollars each year, the beginning of its work in the history of our church was meagre indeed. Starting with a small Board consisting of three men, namely Mr. L. M. Nelson, Mr. E. T. Carlson and Mr. John C. Lundin, the membership has been increased from time to time—first three, then six, then nine, and to-day twelve men. The men who served on the Board during the Anniversary Year are: Mr. Adolf Fors, chairman; Mr. E. T. Stille, vice Chairman; Mr. George G. Larson, secretary; Mr. C. H. Anderson, financial secretary; Mr. Manuel F. Ramme, treasurer; Mr. L. M. Nelson, assistant treasurer; Mr. A. E. Helstrom, chairman of premise committee; Mr. Robert E. Landon, Sr.; Mr. Leonard H. Lindblom; Mr. Joseph E. Bengtson; Mr. Allan W. Carlson; Mr. A. G. Lindstrand.

The Board of Trustees has a very important function in the church, as it must watch over the real and personal property, and carefully preserve all deeds and other valuable documents. The Trustees are jointly and severally responsible to the congregation for all monies and other property belonging to the congregation. It is their duty to so organize the work that adequate funds are on hand for the pursuing of an ever-growing program and the adequately carrying thru of the same. For this purpose they are continually pursuing a program of enlightenment, education and information among the membership, the result of which has been most gratifying. Our membership has liberally subscribed in their yearly pledges and given most heartily to the upbuilding of the Kingdom of God.

The Trustees meet every Monday night. They count and record the offerings of the previous week. Matters of importance which cannot be held over to the regular monthly meeting are then also discussed, but seldom is a matter concluded except at the regular monthly meeting. This meeting is held on the first Wednesday of each month, and is usually preceded with a dinner at the home of one of the members of the Board. These dinners have brot about a spirit of fellowship among the men which has caused

our Pastor to say time and time again, that he has the best Board of Trustees in the Augustana Synod. The fine spirit of unity in this Board has made it a strength in the program of our church.

The financial secretary's and treasurer's reports are always presented in mimeographed form, and any member of the church may procure a copy for any month by asking for it. Some of these reports are real C.P.A. reports.

The Board of Trustees has a premise committee which looks after the church property, and a financing committee which carefully thinks thru the budget, and now, with the addition of a Director of Finance, the work is carefully planned and executed. There are no slipshod methods employed by our Board of Trustees. It is businesslike in all its endeavors.

Under the supervision of our Board of Trustees the Educational Building was erected and dedicated on April 25, 1937. This building provides place for our Church School and young people's activities, drama presentations, dinners, etc., etc. The Trustees wish to acknowledge the fine cooperation of the Societies, especially the Ladies Society, the Dorcas Guild, the Ruth Circle, the Brotherhood and the Luther Leagues, for assisting in the equipment of the building.

To the congregation the Board would want to say that it is grateful for the fine cooperation, the deep interest and the sacrificial love that so many of the members are continually showing in the work.

The Board also wishes to acknowledge the fine leadership of our Pastor, Dr. Joshua Oden. One does not fully reap the full value of the work of our Pastor until one has an opportunity to serve on the Board of Regents. Our church has reached a position of leadership in its stepping out and doing things just a little differently from others, and with the cooperation of our membership and the help of God it shall continue to do so in the future.

Mr. A. G. Lindstrand has been elected chairman of the Board for 1939.

The Parish Plan

The congregation is divided into ninety-four groups with a commissioner at the head of each, as set forth below. The object of this plan is to knit the membership closer together and to make it possible for individuals and families to know one another. Each group consists of ten families, with a commissioner at the head. The duties of the commissioners are:

1. To become acquainted with each family, and as far as possible, each individual, in the group.
2. To encourage church attendance.

3. To disseminate information with reference to the church program, services, and special items of interest that should be broadcast.

4. To check on church attendance, and to ascertain if possible reasons for any irregularity.

5. To report to the Church Office cases of sickness or stress.

6. To spread the gospel of good cheer, and to recognize at services, social gatherings, etc., the members of the respective groups, making them acquainted with the members of the same and other groups.

7. To, if practicable, deliver the Tidings from month to month, as well as such other literature as may be given to the commissioners for distribution.

Following are the commissioners and the numbers of the groups which they head out:

A Sound Investment

C. H. ANDERSON, *Director of Finance*

"A chain is as strong as its weakest link." The strength of any organization, be it governmental, commercial or charitable, is only as strong as the weakest department in that organization. In the Church this is as true as in any commercial enterprise. Each division of the Church must always be actuated by high standards of ethics and performance, whether it be the preaching of the Word or its fulfillment in deed. If the Church is to continue its growth, the giving of time and financial means must be carefully planned and conscientiously executed in the same degree that our Pastor prepares his sermons, and our Directors of Religious Education, Music and Drama, give to the conducting of their respective programs. Our financial program must keep pace with the other divisions of the Church.

The staff of the Church is justly entitled to compensation for not only their present services, but also in some measure for the amount of time, money and energy spent in preparation and training. In order to support them in this work it is necessary for us to have the physical set-up consisting

of buildings, light, heat, equipment, etc., and the better tools we can put into their hands, the more efficient and better work have we a right to expect.

Jesus, said, "I must be about my Father's business." The business of the Church is a substantial one. Since our congregation was organized in 1903, there has been a total of \$670,441.65 received for the support of the program of Jesus Christ. Certainly the Lord's business is not a small one even as far as our local work is concerned. Our God does His business with much care and planning as He organizes the work of nature, be it a blade of grass, an oak tree, or the mighty universe of the heavens. Can we as stewards endeavor to promote the business of the Church with less degree of efficiency?

The financial program of our congregation has not always been taken fully to heart on the part of our membership. A few have shouldered heavy responsibilities, others have shirked them? As we look back over the records of the past thirty-five years, we find that we have had our mountain peaks and our valleys. As members we have at times lacked faith in supporting the financial program commensurate with the growth of our church. At times we have feared our financial obligations. This was especially true during the devastating experiences of the recent depression and recession. We seemed to forget that our God is the Creator of the world, and that He is the owner of the rich deposits of silver and gold. We seemed to forget that "all things are possible unto them that love the Lord." If our founders had lacked vision and faith to begin back there on the 30th day of December, 1903, what a tremendous loss the Church of Jesus Christ would have sustained locally!

In 1917 we dedicated the present church building. In 1933 we realized the need for additional space for the Church School. We hesitated because general business conditions were unsatisfactory. Supposing that we look at this project from only a financial viewpoint, and forget the spiritual loss that we might have sustained had we not built. The total income for the church dropped from \$26,000 in 1932 to \$14,000 in 1933, the lowest point during the last ten-year period. In 1934 the congregation had faith enough to plan a building program. Note the result. The total income increased to \$22,000. In 1935 we debated whether or not we should go ahead, and our income dropped to \$19,500. In 1936 we agreed to the erection of our Educational Building, with the result that in 1936 our income again climbed to \$22,500, and since that year it has consistently increased, to \$25,000 in 1937, and \$29,000 in 1938. This is within \$1,000 of the ten-year peak.

The above is cold statistics, but there were greater gains from a spiritual point of view. Our Church School is well housed. The various departments

EDUCATIONAL BUILDING

INTERIOR CHURCH SCHOOL BUILDING

have temporarily adequate space. Because of this our class work is more efficient, and better carried on. This new building made possible adequate space and equipment for the presentation of religious dramatic services. It gave us space and equipment for the athletic program of our young people. In the erection of our Educational Building we have an example of the financial program of the Church supporting the spiritual program. An interesting chart could be prepared could we but measure the value in spiritual terms.

We know, however, that the value of the human soul cannot be measured in dollars and cents. When Jesus said, "What shall it profit a man if he gain the whole world and lose his own soul?", He made it clear that the spiritual values are far above the material values. Yet Jesus never objected to the accumulation of money for lasting investments. What Jesus criticized was the accumulation of money for *oneself*. He said, "Lay not up for *yourselves* treasures on earth." He did not speak against the laying up of treasures, for Jesus knew that the accumulation of money was necessary for the providing of capital to build churches, hospitals, schools, railroads, factories, etc. Note the advice of Jesus—"Lay up for *yourselves* treasures in heaven, where moth and rust do not destroy, and where thieves do not break in and steal." "Be thrifty, and accumulate, but do it in the best interests of your family, your friends, your neighbors, your community, your Church, your countrymen, and the entire world, that all may be healthier, happier and more prosperous"—is the advice which Jesus would give us. By following such advice one would make enduring investments where moth and rust would not corrupt and which thieves could not steal. It has been said that "all we can keep is what we give away." When we give toward the support of the Kingdom of Jesus Christ, we are investing our funds where the capital is never depreciated or lost, and dividends never cease. We invest in not only our own church, but in the maintenance of hospitals for the sick, homes for the aged and foundlings, and in the preaching of the Word to those who sit in darkness. But more than that, our investment becomes one of eternal value and will never go down in value upon the markets of God.

What greater returns would we want than to know that we have helped to make possible the services to others less fortunate? Have our investments of 1929 and preceding years in the commercial world brot us as large dividends as the time and money we contributed to the Church and other charitable institutions?

"Seek ye first the Kingdom of God," says Jesus. Shall we translate this and say, "Invest ye first in the Kingdom of God, and all things will be added to you."

The membership of the Irving Park Lutheran Church must have believed in the Church or they would not have invested three-quarters of a million dollars in promoting the Militant Church of God. May we who have inherited these "sound investments" not fail to conserve and add to the capital.

Board of Stewards

EARL ENGUS

Our Board of Stewards is unique in the Augustana Synod. Its organization came as a natural trend in the development of our work. The Board of Deacons is charged with the spiritual welfare, the Board of Trustees carefully looks after the material, but there is another field which in most churches, as is true in ours also, is sadly neglected. This field is that of the social and athletic activities. It was as an organizational "football," kicked hither and thither, without anyone feeling the responsibility for it. It was to safeguard this part of our work and to study the situation and find a solution, that Dr. Oden called a group of men together, with the result that a program was formulated which, when presented to the congregation in 1929, was adopted. Twelve men were elected to this Board, for which our pastor suggested the name of "Stewards."

The Board began to find itself during the first year or two of its existence. It found that the challenge was a real one. The social activities of the church must be carefully guided, and the athletic program of our boys and girls given careful consideration. The ushering at the Church services and other functions was added to the program of the Stewards. To-day the Board of Stewards is an integral part of our Board of Regents. It has been fully accepted by not only the congregation, but also by the Boards of Deacons and Trustees, as a very essential part of our program.

Committees within the Board are the social, athletic and Scouting. The social committee is in charge of all social affairs, and of course, may call upon the rest of the Board for assistance. The athletic committee is responsible to the Board of Stewards for the athletics within the church. The basketball, volley ball, baseball, soft ball, badminton teams, etc., are all under the supervision of this committee. The Scout committee of the Board of Stewards is the official one of the church, and under its supervision the Boy Scout troops and the Cub Scouts are being conducted.

One of the achievements over which the Board of Stewards is justly happy is that of the congregational outing of 1938. The challenge of the congregation was accepted with much enthusiasm, and the picnic proved to

be one to which the Stewards can look back with great pride. The co-operation of the other Boards, societies and the Church School made this an outstanding event which will not soon be forgotten.

The Board of Stewards is a sort of trying ground for new recruits. The men who prove themselves faithful and capable in this group are generally promoted to the Board of Trustees or Board of Deacons, and out of it has come some of our finest leadership in these two groups as well as other branches of our work.

Members of the Board during 1938 were Mr. Halfdan Olson, chairman; Mr. Ernest Ripka, vice chairman; Mr. Earl Engus, recording secretary; Mr. Harry Bergeson, chairman of troop committee; Mr. Anton Bjorner, Mr. Harold Rosenberg, Mr. Walter Worthington, Mr. Arthur Anderson, Mr. William L. Cashman, Mr. W. A. Hokanson, Mr. Oscar A. Peterson and Mr. Arthur Oberwetter. Mr. Ernest Ripka was elected to the chairmanship for 1939.

Parish Visitors

MRS. HYL A KACZMAREK

During the early days of the congregation a great deal of the parish visiting was done by members of the Ladies Society. These faithful workers called on the sick and shut-in members of the church, and made every effort to add to its membership.

Three groups for various branches of the parish visitation were appointed in 1928, and for a year cared for this phase of our work. They were the Friendly Volunteers who called on members of the congregation, the Friendly Visitors who visited prospective members, and the Friendly Committee which welcomed visitors at church services.

In October, 1932, the first regular Board of Parish Visitors was elected at the annual congregational meeting, of which Mrs. Charlotte Lindgren was made chairman, and Mrs. Eva Goranson, secretary. Since then twelve women have been elected on this Board each year. They have held regular monthly meetings at the homes of the members, and have had a regular program of parish visitation under the leadership of Miss Edna Magnuson, and the extending of the hand of fellowship at church services. Some three hundred calls a year are made by this group. Serving as Parish Visitors during 1938 were Mrs. Hyla Kaczmarek, chairman; Mrs. Doris Bonaros, secretary; Mrs. Linnea Anderson, Mrs. Sophie Berg, Mrs. Della Bozdech, Mrs. Hilma Magnuson, Mrs. Mabel Orschel, Mrs. Alice Rapp, Mrs. Martha

Rosencrantz, Mrs. Meta Shouba, Mrs. Amanda Westberg and Mrs. Garnet Wick. Mrs. Kaczmarek is serving as chairman for 1939.

Church School

EDNA V. MAGNUSON

In giving the resume of the history of our Church School during the past ten years, one recognizes the importance of the splendid work that was done in the previous twenty-five years of its existence. It is significant that the history of our church begins with the desire for a Sunday School by some of the Lutheran families of this community. Fruit-bearing Christians from the old Immanuel Church came to supply that need. The work began—and so on thru the years, Christian growth, as it is fostered in the Church School, has ever been considered important in the program of our church.

Our Church School is one of God's gardens of growing plants. Mrs. Lillian Sterrett, who watches over the 159 tender plants in our Cradle Roll, remembers their birthdays with our wishes for birthday blessings, and invites them to our Church School as soon as they are old enough to come.

In that part of our garden that meets each Sunday morning for study and worship, there are 585 plants of varying ages. Here are those who want to grow and who avail themselves of the help that the Church School can give. They are in varying stages of development, from the youngest who have just begun the Christian way of life, to those whose fruit-bearing lives show signs of ripening maturity.

In the fall of 1930, a new department was added to our Church School—the Nursery Department, under the leadership then of Miss Dorothy Schye (now Mrs. Betts). In this group are the two- and three-year olds who come for their simple, beginning lessons in group worship and in the Christian way of living with others of their own age. The interest shown in this department proves that it is meeting a real need.

Our Heavenly Father, the true husbandman, has many faithful assistant gardeners among our sixty-five teachers and officers. Our departmental superintendents are:

Senior—Mr. Edward R. Johnson and Mr. Paul A. Lorimer.

Confirmation—Mr. Arthur E. Johnson.

Intermediate—Mr. Joshua Oden Jr.

Junior—Mr. William L. Cashman.

Primary—Mrs. Lillian Sterrett.

Beginners—Mrs. Emily Fridlund.

Nursery—Mrs. Signe Helstrom.

Mr. A. S. Elmlund is chairman of the Church School Board of Trustees; Mr. Lloyd B. Dahlin is general secretary, and Mr. George A. Larson is general superintendent. During the past ten years the following have served as general superintendents: Mr. C. H. Anderson, Mr. Einar Carlson, Mr. Norman M. C. Olsen and Mr. George P. Traxel.

Teachers and officers who have been connected with the work during the entire past ten years and those who have had even longer terms of service are: Mrs Mabel Swanlund (24 years), Mr. Arthur Swanlund (19 years), Mr. Carl Carlson (19 years), Miss Hilda Edstrom (22 years), Mrs. Laura Atkinson (17 years), Miss Dorothy Johnson (15 years), Mr. Arthur E. Johnson (12 years), Mr. C. H. Anderson (11 years), Mrs. Lillie Carlsen, Miss Muriel Hanson, Miss Helen Hanson, Mrs. Martha Rosencrantz and Miss Ella Rosengren (all approximately 10 years).

An attempt is made to select the best lesson material for the Christian growth of the plants in our garden. Courses from the Augustana Graded, the Keystone series, and the Christian Life Course have been used. At present the most of our departments are using the Augustana "Word of Life" Course, together with Catechism and Bible study. The time for Christian instruction has been substantially supplemented by the Daily Vacation Church School held for four or five weeks each summer, where the attendance has reached 125 some years.

Each Monday evening the teachers have gathered for study and conference in order to prepare themselves for their important service. The session begins with a Bible study, followed by a conference on some particular phase of teaching. From time to time we have participated in the Teachers' Institute of the Northern Chicago District. At present our teachers are taking the Augustana Leadership Training Course, first series. One Monday evening a month is set aside for Cabinet meetings when the business of the School is transacted. Each Monday evening also, our Trustees meet. They are in charge of the funds of the School and see to it that the bills are paid.

From time to time we find that a number of our children have not received Christian baptism. Miss Verna R. Samuelson, who called in many of our Church School homes during her stay with us, was instrumental in arranging for the baptism of many of these children. Will we ever forget the impressive service on Palm Sunday 1934 when 40 children were brot to God in holy baptism?

As the plants grow and develop in God's garden, they also bear fruit. Our members do not forget the side for "others" in their contribution envelopes. They want to share their blessings with others. Their gifts have reached to the "uttermost parts of the world" thru their contributions to the

missionaries supported by the children of our Synod. They have also had a large part in gathering funds for the Augustana Nursery and the Children's Homes of our Conference.

One of the requisites for a flourishing garden is room. For a number of years the Church School was handicapped by a lack of room, especially for the Confirmation and Senior Departments. Many plans and experiments were made in an attempt to solve the problem. These departments were shifted from place to place. A double session of the Church School was conducted, with one division meeting at 9:30 A. M. and another at 11 o'clock. Finally, in April, 1934, a congregational meeting was called to consider the matter of providing additional room for our Church School. The outcome of this meeting was the launching of the C-C-C campaign to raise funds for Christ, for Church, and for Children. Mr. C. H. Anderson was chosen as chairman of the Ways and Means Committee. The raising of funds and agreement on building plans took some time, but on June 14, 1936, ground-breaking for the new building took place. It was a time of great rejoicing when on January 17, 1937, we moved into our new Educational Building. Many had sacrificed much in time, effort and financial contributions for the cause. As time passes and we observe the many and varied activities for the furtherance of God's Kingdom which are held in this building, we feel repaid for this sacrifice, as well as for all that has been done during the past ten years for the nurturing of the plants in God's Garden—our Church School.

Chorus-Choir

FOLKE B. GORANSON

Our Chorus-Choir has been singing for thirty-five years. During this time, among the choir directors under which it has sung, appear the names of Dr. Joshua Oden, Mr. George A. Carlson and now Mr. Harry T. Carlson who has been organist and director of music for seventeen years.

From the very beginning, the mission of the Chorus-Choir was to sing at the church services, and to heighten the spirit of festivity on other occasions. To-day the Chorus-Choir is one of the largest and most active of our young people's organizations, with a membership of about sixty-five. It meets for rehearsals every Friday evening, and sings every Sunday at church services, always once, and sometimes as many as three and four times.

The Choir member enjoys, in addition to his association with this fine talented group, musical instruction of the very highest order, and under the

leadership of Mr. Carlson is benefited by the "teaching of the Word" thru the constant repetition of singing from our large repertoire.

The Choir possesses a musical library which has been built up during the course of years, and in which is to be found some of the finest choral literature. The compositions of Palestrina, Bach and Handel (16th and 17th centuries) to that of the more modern settings of T. Tertius Noble, F. Melius Christiansen, Van Denman Thompson, and such Chicago composers as Protheroe and Sowerby, will be found in this collection. It is interesting to note that the compositions of Bach, the father of Protestant music, are the most numerous in this library, and those of F. Melius Christiansen, the most prominent contemporary Lutheran composer, second in number. The library has over 400 titles in octavo music, a full complement of cantatas and oratorios and collections of Swedish and English songs, and it is conservatively valued at thousands of dollars.

In addition to the rehearsals and services, many social activities are held during the year. Quite often church members show their appreciation by serving refreshments to the Choir after the rehearsals on Friday evenings.

The Chorus-Choir is always on the lookout for new material, and wishes to encourage our young people who have the talent of song, to join with them.

The Anniversary Year officers have been: Mr. Willard Elmlund, president; Miss Grace Petersen, vice president and alto leader; Miss Florence L. Olson, recording secretary; Mr. Oliver Anderson, treasurer; Mrs. Linnea Langenberg, robe secretary and soprano leader; Miss Beatrice Elmlund, reporter; Mr. Elmer Anderson and Mr. Robert Peterson, librarians; Mr. J. Clifford Flesburg, tenor leader; and Mr. J. Kenneth Landon, bass leader. Mr. Flesburg was elected to serve as president for the year 1939.

Vesper Chorus

In every church organization there must be a gradual preparation for the Senior Choir, and Irving Park is no exception. The Children's Choir prepares for the Vesper Choir, and the Vesper Choir, consisting of the more mature younger voices, under the leadership of Mr. Carlson, is in continuous training. It meets every Friday evening at 7 o'clock for an hour and a quarter's rehearsal before the beginning of the Chorus-Choir practice. The Chorus is composed of fine, sturdy voices from which we have every reason to believe much joy will be had. Mr. Roy Andrews is president of the Chorus.

The Children's Chorus

LA VERNE OLSEN

It is now thirty years since the first Children's Chorus was organized. Miss Hannah Peterson (now Mrs. Hans Olsen), the daughter of Deacon Henry Peterson, was the directress at that time. Since then the Children's Chorus has gladdened the hearts of the congregation many times with its singing and enthusiastic presentations. Mr. Harry T. Carlson has been in charge of the chorus during his regime in Irving Park, and under his skillful management and careful leadership the chorus has had a high standard set before it at all times toward which it has been trained.

The chorus consists of some seventy members, who, when dressed in their black robes with white surplices, make a lovely appearance. It is especially at the Christmas evensong, the three-hour service on Good Friday, and at the Palm Sunday and Easter services that the chorus makes its festive appearances.

During the Thirty-Fifth Anniversary Year the chorus gave a concert at the June Festival. At that time it presented Master Robert Basso, child violin prodigy. This program was the climax of the June Festival.

The boys and girls of the Children's Chorus range in ages from nine to fourteen years. This early training helps to prepare them for membership in the Vesper Chorus, and thru this, in the Chorus-Choir.

The Religious Drama Guild

J. VERN FRIDLUND

The Irving Park Lutheran Church has been interested in religious drama for many years. Early in its history, religious tableaux were presented. Those were the days when we had little or no equipment. Improvised scenery and artificial chemical flares of various colors were used. Our Christmas and Easter programs have always been rich in pageantry. Some years ago our Pastor caused a temporary stage to be erected in the church, where a series of Sunday evening dramatic sermons was presented. Altho the settings and presentations were oftentimes crude, yet they were always well received.

With the fine perception of beauty and musical content which our director of music, Mr. Harry T. Carlson, has shown, the Christmas Evensongs began to grow more and more into services of the visual as well as the aural. It was in 1935 that Mr. Lester Luther was invited to direct a

presentation of the story of the birth of Christ. This was beautifully done. The following year Mrs. Sophia Swanstrom Young came to us. Her fine appreciation of sacred drama and the large experience which she had had, made her a valuable asset. Under her direction the Christmas story was enlarged and given the name "Immanuel." We shall not soon forget the beautiful pageantry, the descriptive story and the telling message which she, together with Mr. Carlson and a comparatively large number of participants presented.

During that winter it was felt that an organization should be effected in which the talents and interest in dramatics might be conserved and trained. This resulted in the organization of the Religious Drama Guild on March 10, 1937, with Dr. Joshua Oden as the honorary chairman, Mr. J. Vern Fridlund as the acting chairman, Mrs. Elsa Klarine Moran as vice president, Miss Sylvia Peterson as secretary, and Mr. O. Walter Johnson as treasurer.

The Drama Guild had a program right from the start. In the fall of 1937 a series of twelve dramatic sermons was presented by the Pastor, which the Drama Guild most efficiently and beautifully supported, illustrating the Old Testament stories. All this was done under the direction of Mrs. Young. "Luther the Emancipator" was also presented twice that fall. It is a graphic story of the life of Martin Luther told in no uncertain terms. It received city-wide publicity, and the Guild was invited to give it at the Sunday Evening Club. In 1938 four presentations were made and we anticipate the 1939 showing as being of still greater moment.

In addition to this the Guild has presented many other works of importance, such as "St. Claudia," "The Way of Peace," "The Forgotten Christmas Gift," "Evangeline," etc., etc.

The educational and cultural value of the Guild has already made itself felt thru the various organizations of the church, raising the standard of production and making more keen the appreciation of good drama.

Mr. J. Vern Fridlund has been re-elected to serve as president of the Religious Drama Guild for 1939.

Ladies Society

MRS. FLORENCE LINQUIST

It has often been said that the success of any church organization depends largely upon its women. The Irving Park Lutheran Church is no

exception to this for our own women, as proven by the Ladies Society, have had a great deal to do with its development.

Organized on St. Patrick's Day, 1904, with Mrs. E. T. Carlson as chairman, there has been one continual march of progress in the building up of the Kingdom of God. We have striven to add to our membership, ever increasing the number who should belong to the Church of God and who should help to carry on in His work.

Financially the Ladies Society has been of great help, doing its bit in the church's call for aid.

The circles organized within the Society have been of great help. The Alpha, Beta, Delta and Martha Circles have done a wonderful work in the raising of our pledge of \$5,500.00 toward the Educational Building. The Society has, in cooperation with the Dorcas Guild, paid for the kitchen equipment and chairs in the new building.

Among the many accomplishments of the Ladies Society should be mentioned the furnishing of funds for the payment of one of the lots on which the church now stands, supplying the pews in the sanctuary, and purchasing the house and lot on the southeast corner of Belle Plaine and Harding Avenues at a price of \$8,250. The house was afterwards torn down to give place for the erection of the Educational Building. In addition to this a room at the Augustana Hospital has been furnished by the Ladies Society, as well as one at the Augustana Home for the Aged. The Ladies Society also assumed the defraying of the cost of decorating the interior of the church in 1931-32. From time to time the Society has contributed toward the Women's Missionary Society, the Augustana Nursery, the County Infirmary at Oak Forest, "De Gamlas Vanner," and many other causes too numerous to mention.

At its organization the membership numbered fifteen. To-day the active membership is well over 125.

Material success makes interesting reading. The income for the first ten years of our existence was \$2,908.86, for the ten years ending 1928 \$17,190.65, and for the last ten years \$13,528.46. What does the future hold in store for us?

The Society is interested in not only the material, but also the devotional, and the social moments its members have been privileged to spend together have deepened their interest in the Kingdom of God, enhanced their spiritual values, and made for a friendship which among some of the women will be of eternal value.

Mrs. Oden has been president during the anniversary year and has been reelected to serve during 1939. The other anniversary year officers were: Mrs. Amanda Magnuson, vice president; Mrs. Jennie Anderson, recording secretary; Mrs. Hilma Johnson, corresponding secretary; Mrs. Mabel Dyckman, financial secretary; Mrs. Martha Rosencrantz, treasurer; Mrs. Selma Johnson, chairman of the membership committee; Mrs. Alma Berglund, chairman of the good cheer committee; Mrs. Signe Anderson, chairman of the rummage sale committee; Mrs. Hilda Johnson, "De Gamlas Vanner" secretary; and Mrs. Gertrude McKean, pianist.

Martha Circle

MRS. ELLEN KARMAN

In the autumn of the year 1924, the Ladies Society decided to divide its membership into four groups, or circles, for the purpose of getting better acquainted and promoting friendship among the members. For the organization of the fourth, or last group, Mrs. Hannah Helsing kindly opened her home, on December 2, 1924. The chairman of the Ladies Society opened the meeting, and the following were unanimously elected to serve the first year: Mrs. Hannah Helsing, chairman; Mrs. Ellen Karman, vice chairman; Mrs. Mary Wallin, recording secretary; Mrs. Hilda Elmlund, treasurer. It was decided to name this group "Martha" after the Martha of Bible fame, and like her this group has been busy with many things, such as taking part in sales, serving luncheons, holding picnics, and in later years, annually serving a "smorgasbord" dinner. Sixteen women were present at the first meeting, and the circle now has a membership of thirty.

This small group has during its existence enriched the treasury of the Ladies Society by about \$4,500.00, and about \$200.00 has been contributed to charity and missions. The Lord has richly blessed the faithful efforts of these women.

The Thirty-Fifth Anniversary Year officers are: Mrs. Hannah Helsing, president; Mrs. Ellen Karman, vice president; Mrs. Emilie Miller, recording secretary; Mrs. Ruth Munson, corresponding secretary and chairman of program committee; Mrs. Amanda Barkstrom, treasurer; and Mrs. Hulda Nelson, chairman of good cheer committee. Mrs. Karman will serve as chairman during 1939.

The Maria Circle

MRS. CAROLINA LINDBERG

(Translated from the Swedish)

When in 1914 the Ladies Society was divided into circles, there were a number of women who did not join the three groups set up. Mrs. Carolina Lindberg invited these to come to her home in the month of September, with the thought in mind of organizing a fourth circle. Fifteen were present at that time and expressed their desire that this might be done. Therefore, in the month of December, 1914, at the home of Mrs. E. T. Carlson, this group adopted the name "Maria Circle," and elected the following officers: Mrs. Carolina Lindberg, chairman; Mrs. E. T. Carlson, secretary; and Mrs. Peter A. Carlson, treasurer. It was in 1920 that this circle, at the suggestion of Pastor Oden, decided to continue its organization with a new program and object before it. Up to this time the circle had turned over its funds to the Ladies Society as a part of the contribution which the latter made to the congregation. Now the Maria Circle decided to put forth its efforts for the cause of missions and benevolences, both within and without the congregation. The Bethphage Mission at Axtell, Nebraska, with its service of love for the epileptics and cripples, especially gripped the imagination of the group, and during the last eighteen years this circle has contributed definite sums every year to this God-given work. When the children's complex of buildings was erected there, our Maria Circle was privileged to furnish the kitchen with equipment amounting to nearly \$500.00.

It is not only here that the Circle has been privileged to serve, but in many other ways it has spread comfort and joy among the sick in the hospitals, and the needy at Oak Forest. At Christmas time more especially these women remember a number of those who probably might be forgotten otherwise. Our Maria Circle has gathered some \$3,300.00 thru the gifts which its members have paid in voluntarily at the monthly meetings, and given as these contributions have been, in love, they have been distributed in the same spirit.

To-day there are twenty members in the group who meet every month for prayer and meditation, generally under the leadership of the Pastor. All of the members are also members of the Ladies Society and other circles. Twelve of the original group have been called to their eternal home, but the Circle is still vigorous and has had the same chairman all of these twenty-four years. During the Thirty-Fifth Anniversary Year Mrs. Sophie Berg served as vice chairman, Mrs. Josephine Chindblom as secretary, and Mrs. Ida Goranson as treasurer. The Maria Circle still uses the Swedish language.

Dorcas Guild

MRS. IRENE DITTMAN

The Dorcas Guild has a real place in the organization of our church. When on February 16, 1921, Dr. Oden called a group of women together to organize an English Ladies Society, it was felt that this step was necessary in order to take care of a large number of younger married women who were vitally interested in our church work. Owing to the fact that the Ladies Society used the Swedish language in those days and that many of the younger women who had grown away from the Ruth Circle could not affiliate with the Ladies Society, the Dorcas Guild had a real place in our program. Therefore, after prayerful consideration this organization was effected.

The first president elected was Mrs. Ellen Erickson, who has the distinction of being a pioneer leader, and with splendid cooperation the Guild began to develop into a fine organization. Its first achievement was the placing of the steam table in the parish house kitchen. In 1922 Mrs. Ellen Norlin served as president. During this year the Guild contributed \$350.00 toward the decoration of the interior of the church. In 1923 Mrs. Doris Malmberg became the president. The goal set for that year was tower chimes. Banks were distributed and the sum of \$364.52 was recorded toward the Chime Fund. Mrs. Malmberg's pleasing manner made her an ideal president. In 1924, the writer, Mrs. Irene Dittman, was elected president and served four consecutive years in her Master's work. A sum of \$6,154.73 was raised during this period and was made a part of the new extension program fund on which the Board of Administration had decided for 1925.

Succeeding presidents and the years of their terms were: 1929, Mrs. Selma Carlson; 1930 and 1931, Mrs. Lillie Carlsen; 1932, Mrs. Dorothy Stille; 1933, Mrs. Emily Fridlund; 1934, Mrs. Ethel Borgeson; 1935, Mrs. Lillian Larson; 1936 to 1938, Mrs. Irene Dittman.

In 1936 the Dorcas Guild assumed the responsibility for \$1,800.00 toward the cost of the equipment in the Educational Building, and in 1937 had \$1,300.00 toward this pledge. In 1938 \$800.00 was added to this fund.

The Dorcas Guild meetings are always interesting. They have been of more than usual cultural and religious value to the membership.

The Guild has had a vital part in the erection of the Educational Building, with the assurance that in this building program our church leadership has had a vision the realization of which is so beneficial to our youth. It gives the Guild members comfort to know that their part has not been a

menial one. Thru prayer and hard, diligent work, much has been accomplished. To our Heavenly Father be the praise for bringing us this inspiration. The work of the Dorcas Guild is that of the upbuilding of the Kingdom of God, and He Who is at the helm of His gospel ship will guide us into the peaceful haven of a work "well done."

Officers serving during 1938 were: Mrs. Dittman, president; Mrs. Esther Lindstrand, vice president; Mrs. Alida Gustke, recording secretary; Mrs. Esther Larson, financial secretary; Mrs. Alice Carlson, treasurer; Mrs. Edith B. Johnson, corresponding secretary; Mrs. Mabel Swanlund, Augustana Nursery secretary; Mrs. Hilda Andrews, Good Cheer chairman; Mrs. Alice Carlson, pianist; Mrs. Eleanor Ripka, reporter; Mrs. Selma Carlson, chairman of reception committee; Mrs. Alice Rapp, chairman of membership committee; and Mrs. Lillian Larson, chairman for "chair" subscriptions. Mrs. Dittman has been re-elected to serve as president of the Guild for 1939.

Dorcas Guild Circles

The Dorcas Guild membership is divided into three groups, two of which meet monthly at the homes of the members. These circles have been of unusual benefit to the members. A Bible study is always presented at each meeting by some members of the staff, and many helpful lessons have been lifted out and applied. In addition to this, the Circles have carefully discussed their programs of activity, and a beautiful spirit of harmony has been prevalent.

Mrs. Marcella Peters served as chairman of the Fidelis Circle during 1938, Mrs. Laura Nelson of the Friendship Circle, and Mrs. Beatrice Roberg Johnson of the Gloria Dei Circle. Mrs. Signe Helstrom has been elected to head out the Fidelis Circle for 1939, Mrs. Marie Kind the Friendship Circle, and Mrs. Johnson reelected to the chairmanship of the Gloria Dei group, which meets in the Educational Building.

Ruth Circle

RUTH I. LARSON

On Lincoln's birthday, in the year 1909, seven young women met with the Pastor and organized the "Ruth Circle," adopting as a motto—"Reaching Up To Heaven Can Inspire Right Church Loyalty Everywhere," the first letters of the words spelling the name of the circle. Miss Lydia Johnson was elected as the first president.

The Ruth Circle meets the second Thursday evening of each month at the home of a member. The meetings are opened with scripture reading and prayer, and at times a Bible study is presented. Discussion of ways and means of being of assistance to the congregation is always a part of the business sessions, and a social time and refreshments conclude an evening's program.

The Circle has adopted many customs during its existence, of which a few are mentioned, viz., the placing of two flowers on the altar each Sunday morning; honoring the mothers by placing a bouquet of flowers in the chancel each Mothers' Day; bringing flowers or other gifts to members when ill; remembering each Ruth Circle bride with a "shower" and gift.

Many entertainments have been prepared and sponsored by the Ruth Circle for the raising of funds. A variety of social events have been held to interest the membership, and athletic games and matches of different kinds have been arranged within the group.

In addition to the many recorded cash contributions to the church, the Ruth Circle paid for the decorating of the interior of our first building in 1910; presented the pulpit and altar to the congregation in 1912; furnished the mothers' room in our present church building in 1922; placed two pedestals in the chancel in 1925; provided the funds for the remodeling of the church office in 1930; paid for the carpeting of the sanctuary in 1931; and it has also paid for the stage equipment in the Educational Building.

The Ruth Circle has also lent its help and good cheer outside of the congregation. It has visited the Lutheran Children's Home at Joliet bringing gifts for the boys and girls. During the war the Ruth Circle did Red Cross work and is still known as Chapter No. 348 on the records of the American Red Cross. It cheered the boys who were serving their country at this time with gifts of various kinds. This group was also privileged to make a substantial contribution toward the Girls' Dormitory at Augustana College at Rock Island. For a long period of time monthly gifts were sent to a young woman in a sanitarium at Denver, and to an invalid at Augustana Hospital, as well as to two old people. Bethphage Mission at Axtell, Nebraska, and Edward Hines Jr. Hospital have also benefited by the generosity of the Ruth Circle girls. The furnishings of a room at Augustana Hospital are credited to them. Our two young women who went to Africa as missionaries have been recipients of numerous gifts from the hands of this Circle. Each Christmas a substantial gift is made toward the charity program of the church, and a sum donated toward Christmas cheer for the children of our missionaries.

The Ruth Circle extends a cordial invitation to all the young women of the church to join with them in carrying on helpful endeavors in the future.

Tri-C

Victoria Rosencrantz

It was in December, 1934, that the girls of the 1933 confirmation class decided to form an organization in which they might work together as Christians, Co-workers, and Comrades, uniting their efforts in social and missionary work. The decision resulted in the Tri-C organization, which has taken an active interest in the inner mission work of our city and in the foreign mission fields especially of Africa.

The girls have met once a month for their business meetings and for the Christian fellowship which has been theirs. They have enjoyed working together toward such goals as the support of a native girl in Africa, the sending of gifts and other aid to our missionaries in Africa, the spreading of cheer among the boys and girls at the Central Lutheran Church mission and among the folk at Oak Forest, and, within our church, contributing toward the equipment of our Educational Building.

In the few years of the Tri-C existence, its membership has grown and changed, members of the 1934 confirmation class having been added. Miss Rosemary Miller served as the first president, and was succeeded by Miss Shirley Olufs, Miss Gloria Jensen, and, during the Thirty-Fifth Anniversary Year, Miss Victoria Rosencrantz, who has also been chosen to serve during 1939.

The girls says: "We feel we have grown together in social fellowship, and that we have enjoyed working for our church and our fellowmen in Christian love and good will."

Square E Girls (Sigma Eta Gamma)

BETTY FRIDLUND

The Square E Girls were organized in January, 1937, at the home of Mrs. Lillie Carlsen, their Church School teacher, with Betty Fridlund as president, Genevieve Johnson as vice president, Betty Bergeson the recording secretary, June Petersen, corresponding secretary, and Audrey Nelsen, treasurer. The club consists of about twenty girls from the 1935 and 1936 con-

firmation classes, organized to meet socially once a month at the homes of its members.

The symbol of the club, a square, signifies the foursquare life of Christ: spiritual, mental, social and physical, which the girls are trying to exemplify. The four E's which make up the square, stand for Earnestness, Eagerness, Energy and Endeavor.

At each meeting a short business session is held, followed by games and refreshments. Outings and other social functions, and missions of help and good cheer are recorded among the year's activities.

Under the guidance of Mrs. Carlsen, the club is endeavoring, thru the monthly meetings, to keep the girls interested in the Church School and the work of the church.

Serving as officers during the Thirty-Fifth Anniversary Year are: Hazel Rohde, president; Grace Carlson, vice president; Ruth Peters, recording secretary; Audrey Nelsen, corresponding secretary; Harmony Jensen, treasurer; Marilyn Brown and Beverly June Johnson, members of the publicity committee; and Ellynor Holm and Betty Fridlund, members of the entertainment committee. For 1939 Miss Dorothy Lindstrand was elected president.

Brotherhood

L. M. NELSON

The Lutheran Brotherhood of our church was organized with ten members on April 22, 1904, at the home of Mr. and Mrs. E. T. Carlson, by the Reverend Sven Pearson, who was elected as its first chairman. Mr. L. M. Nelson was elected vice chairman, Mr. Aaron Olson, secretary, and Mr. F. Edward Chindblom, treasurer. It was decided to meet monthly and the dues were set at 25c per month. The name agreed upon was The Building Society ("Byggnads Foreningen"). Why this name was decided on we do not know, as there was as yet nothing then on which to build. At a meeting on January 13, 1905, it was decided to change the name to the Finance Society, and this was later changed to the Men's Club. During the World War the name of Irving Park Lutheran Brotherhood was adopted. Later it seems it was known as Irving Park Lutheran Church Men. However, the name of Irving Park Lutheran Brotherhood is now again used.

A spirit of deep interest for the welfare of the church has always permeated our Brotherhood. To begin with, financial help was greatly needed for the running of the church. The first task undertaken by the society was the payment of the furnace in the first church building. After that it con-

tributed \$500 for the purchase of the lot where the parsonage now stands. Next it undertook the raising of \$3,000 toward the \$100,000 Illinois Conference Church Extension Fund. The Brotherhood also contributed substantially toward the payment of the church debt before the erection of the present church building could be begun, and again assumed the responsibility for installing a heating plant. Owing to our Pastor's keen interest in the Chicago Lutheran Bible School, the Brotherhood took an active part in the raising of funds for this institution. The raising of money has not been one of the strong points of the society, but its record of achievement along this line cannot be ignored.

The Brotherhood meets once a month for fellowship and wholesome entertainment, as well as for the strengthening of cultural and religious bonds. The regular programs have been of high order, with speakers of national reputation. Occasionally there have been debates between members or with other men's organizations. There have been Fathers and Sons banquets, outings, and golf tournaments. For a number of years it has sponsored Christmas parties where children have been invited for jolly good times.

The following have served as chairmen of the Brotherhood: Rev. Sven Pearson, Dr. K. A. Danell, Dr. M. Wahlstrom, Dr. Joshua Oden who served for several years. In 1917 Mr. Martin Turnquist was elected and served until his death on November 2, 1918, when Mr. Robert E. Landon Sr. became chairman. In 1920 Mr. Elmer Newberg was elected, after which Dr. Oden was again asked to take the chair. In 1921 Mr. L. M. Nelson served, in 1922 Mr. Harold F. Johnson was elected, 1923 Mr. Philip Malmberg, 1924 Mr. K. E. Westberg, 1925 Mr. Harold F. Johnson, 1926 Mr. Adolf Fors, who was succeeded by Mr. C. W. Soderstorm, 1929 Mr. J. Vern Fridlund, 1931 Mr. E. T. Stille, 1932 Mr. William E. Rapp, 1933-34 Mr. Oscar Lindstrand, 1935 Mr. Henry L. Magnuson, 1936 Mr. Adolf Fors. During this anniversary year Mr. Carl Hjalmar Lundquist has served as chairman, and Mr. William L. Cashman has been elected to head out the Brotherhood for 1939.

Men of Irving Park, you will always find a hearty welcome at the Brotherhood meetings!

Young Men's Club

ARTHUR J. DITTMAN, JR.

With the completion of our Educational Building came the reorganizing of a group of young men from the Senior Luther League into what is now known as the Young Men's Club. This group was begun for the purpose of promoting athletics among the young men of the church who were later

to compete in various sports with some of the other churches of the Augustana Synod.

In the fall of 1936, the Young Men's Club entered a basketball team in the Augustana Lutheran Fellowship League which is comprised of eight church teams in the Northern and Western Chicago districts. Under the captaincy of Walter Worthington, the team enjoyed a fine season and finished close to the first division. The summer of 1937 found the softball team of this club earning the name of "the team that never quits."

The basketball team of 1937 suffered a great loss at the beginning of the season, when Roland Anderson, center, a man held high in the esteem of his fellow teammates for his good sportsmanship and energetic playing, was called to his reward.

As the softball season of 1938 got under way, the team added new members to its roster. Under the management of Raymond Pearson the team improved in its playing ability. Altho it did not finish in the division, at least one outstanding victory was in part responsible for the surprising standings at the end of the season.

Shortly after the close of the summer activities, the Club suffered another great loss, when Robert L. Johnson, Catcher and Utility man, was taken to his heavenly home. "Bob," a fellow of never-ending courage and energy, always gave the team a fighting spirit even when the odds were greatly against it. His ability as a basketball guard could not be matched and the entire squad considered him the key man of the game.

In September of 1938 the group elected its first regular officers, namely, Arthur J. Dittman Jr., president; Raymond Pearson, secretary and treasurer; Willard Elmlund, manager and publicity agent.

Each new season finds this organization growing in size and athletic ability. With a motto of "Fair play and good sportsmanship," it hopes to become a permanent organization of the church and looks forward to many years of friendship and fellowship.

Scouts

WALTER WORTHINGTON

— Boy Scout Troop 863 —

Our Boy Scout troop is one of the oldest in the city. From time to time it has been the leading one of the district, and has always had a very high rating in the city. It is one of the best-equipped troops, and is continually growing in both number and knowledge. It has had many fine leaders since

its beginning about twenty years ago, when Dr. Oden was its first scoutmaster, and because of them it has had much to do with the building of the character of many fine young men. There are now 34 in the troop, with several on a waiting list who would like to join but cannot be accommodated at present.

The summer camp is always looked forward to with great anticipation, and the camp held this last summer was very successful. The church has provided a room for the Scouts in the basement of the Parish House, where the equipment is kept and patrol and other meetings held.

Serving on the Troop Committee for 1938 were Harry Bergeson, chairman; Harold Rosenberg, Earl Engus, Ernest Ripka, Arthur Anderson and Dr. Oden. Walter Worthington has served as Scoutmaster. Ralph Erickson Jr. has served as Assistant Scoutmaster, and Ryno Ahlgard as Senior Patrol Leader.

— Cub Scout Troop 3863 —

In order to instruct boys, too young for the Boy Scouts, in the essentials of the Scout organization, a Cub Scout Pack was organized in January of this year, at the home of Mr. and Mrs. Clifford J. Harris, and has increased during a few months' time from ten to 45 members. Mr. Harris is serving as Cub Master, and Mrs. Harris as Den Mother, with a number of assistants.

Women's Missionary Society

MRS. SELMA CARLSON

Almost a half a century has passed since the organization of the Women's Missionary Society of the Augustana Synod, and we as a local society are happy to have a small part in this great work of serving and working for others.

Our women in Irving Park have been organized for almost twenty-five years, and about one hundred women are now included in our membership. Our aim is to raise funds, according to our apportionment, to help carry on the work of missions on the inner, home and foreign fields. To this cause we pay regular annual dues, subscribe to the "Mission Tidings," and in many other ways contribute to meet our apportionments.

Six bi-monthly meetings are held in the Parish House each year when speakers bring information about the work carried on by our missionaries at home and abroad.

May we continue to grow and be guided by His words, "Go ye therefore and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit."—Matt. 28:19.

The officers for the past year have been: Mrs. Selma Carlson, chairman; Mrs. Ellen Karman, vice chairman; Mrs. Mabel Swanlund, recording secretary; Mrs. Hannah Helsing, treasurer; Mrs. Amanda Westberg, financial secretary; Mrs. Hyla Kaczmarek, corresponding secretary; Mrs. Esther Ahlberg, Mission Tidings secretary; and Mrs. Eva Goranson, Acting Treasurer.

Onus Girls

BEATRICE JOHNSON

Thirteen young women met at the home of Miss Margaret Johnson on the first day of June, 1929, and decided to organize a young women's missionary society within our church. This organization was effected on the 27th day of the same month, when eighteen were recorded as charter members. Miss Evangeline Carlson (now Mrs. Oliver Goldsmith) was elected president; Miss Lorraine McKean (Mrs. Robert Yell) vice-president; Miss Eleanor Landon, secretary; and Miss Violet Goranson, treasurer. The purpose of this society is to make a study of the countries and especially the fields in which the Augustana Synod is doing missionary work, and to, with its gifts, encourage our missionaries in their work.

The name originally chosen by this group was "Torchbearers," but it has recently been changed to the "Onus Girls", "onus" meaning obligation, or duty, the letters of which form the beginning of words for their motto—Others, Not Us, Society.

Various forms of entertainments have been given to raise funds for the missionary apportionment, and social gatherings have helped to add a great deal of interest which the members take in the society. The girls loyally support the annual congress held by the Young Women's Missionary Societies of the Northern Chicago District, and have a part in the candle-light service.

Officers for the Thirty-Fifth Anniversary Year have been: Miss Dorothy Francke, president; Mrs. Harriet Worthington, vice president; Miss Irene Jasper, recording secretary; Miss Lucille Anderson, corresponding secretary; Miss Beatrice Johnson, financial secretary; Miss Beatrice Elmlund, treasurer; Miss Violet Goranson, Membership Chairman; Miss Evelyn Lundstrom, Program Chairman, and Miss Marian Lundquist, Social Chairman. Miss Dorothy Francke is serving as president for the year 1939.

Junior Mission Society

MRS. MABEL ORSCHEL — MRS. GARNET WICK

Missionary instruction among the children of our congregation has been carried on during the past ten years thru the Junior Mission Society as a part of the great junior organization of the Augustana Synod. Its purpose is to disseminate information among the children regarding missionary work in the inner, home and foreign fields. The contributions received are used for the spreading of God's Word and the Christian education of those attending mission schools thruout the world.

Thru handwork by the children and stories told by the teachers, the members are helped to visualize actual scenes of life in foreign fields. Articles are made for distribution among the less fortunate. Over 14,000 such articles have been sent to the missionaries during the past ten years.

Our Junior Missionary Society is divided into three groups, namely that of the Primary, the Junior, and the Intermediate, and therefore children of from six to fourteen years of age are invited to join. The educational value of this missionary instruction as well as the wholesome influence upon the children cannot be over-estimated. Miss Edna Magnuson is the leader of our Junior Mission Society.

Senior Luther League

ALFRED KAAD

The Senior Luther League is an organization for the young people of the church, and holds meetings every Tuesday night for inspiration and Christian fellowship. Our local League is affiliated with the District, Conference and Synodical Luther Leagues, and so has a part in the young people's work of the Lutheran Church at large. The District Luther League meetings are attended and enjoyed by our entire membership. Delegates from our League have kept us in touch with the Conference and Synodical gatherings.

Thru our support of the missionary activities of the Illinois Conference Luther League, our League has had a part in helping to spread God's Kingdom here, and in other lands. Some contribution has also been made to the local work. Thru the income from our "Luther Fair" we, with some assistance from the Junior League, purchased the moving picture sound projector as our contribution to the equipment in the Educational Building.

During the past ten years the following have served as presidents of the Senior Luther League: Mr. Clarence Sandstrom, Mr. Russell Sandquist, Mr. Willard Elmlund, Mr. J. Kenneth Landon, Mr. Roland Anderson, and Mr. Alfred Kaad, the last named also being elected to serve for 1939.

Our League has suffered distinct loss thru the death of two of its very active members, namely Mr. Roland Anderson, a former president, and Mr. Robert Johnson, treasurer at the time of his passing. Our association with them will always remain as a beautiful memory. From active service in the Kingdom of God on earth, they have been transferred at an early age to their eternal reward.

Serving with Mr. Alfred Kaad on the executive committee for 1938 were Mr. Arthur Dittman Jr., first vice president; Mr. Theodore Anderson, second vice president; Miss Marion Kruse, recording secretary; Miss Florence Lindgren, corresponding secretary; Miss June Carlson, financial secretary; Mr. Robert Johnson, treasurer.

Junior Luther League

ROY ANDREWS

It was in the year 1910 that the first Junior Luther League was organized, of which Mr. Bert Walinder was elected president. The main purpose of this organization was to afford the younger confirmees the opportunity of getting together spiritually as well as socially. Seven years later the Juniors joined with the Seniors to form one Luther League, but in 1927 again became a separate organization with the confirmation class of the previous year forming the bulk of the membership. Since that time the League has had a steady growth until it is today one of the leading young people's organizations of our church. Miss Edna Magnuson has served as counsellor for this group since 1928, with the exception of the year 1932 when Miss Verna Samuelson, then one of our parish workers, took over the responsibility of the League.

During the Thirty-Fifth Anniversary Year the Junior Luther League has endeavored to do its bit toward the upbuilding of the Kingdom of God under the leadership of Roy Andrews as president, Ruth Peters, vice president, Annette Carlson, recording secretary, and Marvin Larson, treasurer. Mr. Warren Westcott, as president, and Mr. Paul Lorimer as counsellor, are heading out the program of the League for 1939.

Confirmands Society

MILDRED E. BOGREN

The largest organization in the church, having a membership exceeded in number only by that of the congregation itself, is the Confirmands Society. Its history goes back to the 10th day of June, 1905, when it was organized with the confirmation class of 1905 and the pastor of the church as the first members. Its membership has been added to from year to year as classes of children and adults have been confirmed, and the records show that 1756 have at some time been recorded on its rolls, of whom 267 received their instruction as adults in the fundamental doctrines of the Church. Dr. Karl A. Danell served as the Society's first chairman, Miss Isabella Anderson as vice chairman, and Mr. Oscar M. Anderson as secretary.

The purpose of the organization as set forth in the early records is that of being of assistance to the individual members who have made their vows to "be faithful to the Word of God according to our Evangelical Lutheran Confession," to encourage them in intellectual pursuits and spiritual advancement, and also to work toward such other good and charitable causes as opportunity offers. This the Confirmands Society has endeavored to do by annually sending out calls to the reunions, where acquaintances are renewed and many who have become careless in their spiritual welfare are brought back into the fellowship and service of the church.

The 1938 reunion was held in the form of a dinner on November 22, when the plans of the following members of the executive committee were successfully carried out: Mr. Raymond Pearson, chairman; Mr. Arthur E. Carlson, vice chairman; Miss Mae Swanson, Recording Secretary; Miss Grace Petersen, Statistical Secretary; Mr. Harold Walles, Treasurer. Mr. Henry L. Magnuson was elected at this time to serve as president for the 1939 reunion.

Red Cross Chapter

The American Red Cross chapter dates back to the time of the war, when, under the auspices of our Ruth Circle, many things were done for the work of the alleviation of suffering in which the Red Cross is always interested. Mrs. Hilma Wayman and Mrs. Florence Linquist have served as our Red Cross representatives, and for a period of twenty years have been on hand to receive the gifts, dues and other contributions for the Red Cross work. During the last decade the chapter has been rather active. In 1932 it enlisted the women from the Ladies Society to make dresses and aprons

for unemployed relief service. In 1933 \$17.56 was contributed; in 1935 \$17.75; in 1936 \$19.20; in 1937 \$26.70, and in addition to this latter \$122.00 was contributed to the Ohio-Mississippi Flood Relief. In June of 1938 \$17.56 was sent in for Chinese Relief, and at the annual roll call this year \$28.37 was contributed. We are thankful to these two fine women who have headed this work during these many years.

N. B. P. Club

Mrs. Emily Fridlund

The N.B.P. Club was organized at the home of Mrs. Mabel Orschel, on January 12, 1937, when a group of teachers from the Nursery, Beginners and Primary Departments of the Church School met to spend a social evening in her home. The following officers were elected: Mrs. Emily Fridlund, chairman; Miss Helene Larson, vice chairman; Mrs. Lillian Sterrett, secretary. It was decided to meet the third Friday of each month to discuss problems encountered while teaching, make teaching plans and spend a social time together. These meetings have proven very successful, well attended, and given inspiration and encouragement to the teachers.

One of the aims of the organization is to knit the parent, child and teacher closer together. We feel there is no better way than to spend an evening together in this manner.

"To Our Pastor"

Poem by Mr. A. Ahlberg

Read at Testimonial Dinner November 17, 1938

Three decades past the Church Board they did send
For a young student Dr. Wahlstrom did commend,—
For this advice we all rejoice to-day.
He came, we liked him, so he chose to stay.

The passing years have proved how wise the call
Of our good shepherd now beloved by all.
Have met to-day to honor, wish long life
To Dr. Oden and his charming wife.

God blessed the day—July in 1908—
A small group heard his first sermon on that date;
New pastor tireless energy possessed,
Our church in numbers now leads all the rest.

Pastor Oden in hallowed pulpit stands,
And here points the way to Home not built by hands;
For God who rules and shapes our destiny,
He sent him here and blessed his ministry.

By inspired sermons hard to duplicate,
Shown the way of life—"the just shall live by faith,"
And we who here have listened to the word,
Our life transformed by truths from pulpit heard.

Here hundreds of confirmands taught word of God,
Because of this in righteous paths have trod;
Their future life by present teaching shaped,
As a result—temptations have escaped.

Our active church great influence doth wield,
At present this vast city is our great field,
And not by chance nor any favored way
Incessant work and God for guidance pray.

Pastor has set his imprint on this age,
His name looms large on many a printed page.
This recognition earned and well deserved
By honored guest who thirty years has served.

He is so thorough—always sure of facts
From current events, back to the Book of Acts.
He keeps abreast of the religious trend,
Always prepared to challenge or defend.

Of special service church work doth consist,
In need, "apostle" Paul and Philip they assist,
And helpful, too, the chosen thirty-six
Composing Board that with precision clicks.

The office force works many extra hours
To the care of all the details that are ours.
All this our Pastor he has brought about
By constant effort and by prayer devout.

There is a bond twixt Pastor and his flock
That naught can sever. Firm as Gibraltar's rock
A bond of friendship, loyalty and love
That projects itself into realms above.

Our Pastor started life with favored odds,
His name and surname similar to the gods,
With this advantage could not but succeed,
This he has done in measure none exceed.

To Mrs. Oden tribute we must pay,
Beloved by all 'ere since the happy day
She came to Irving Park, a charming bride,
Has share in Pastor's fame now nationwide.

I know you'll join with me in word of prayer
While life remains that he will not serve elsewhere;
Thus reach a mark that very few attain
With us a half a century remain,—

Spend fifty years in service of the Lord
And in this wish we are all of one accord,
Then endless millenniums enjoy reward
With countless thousands safe home by His word.

So all of us now gathered here to-night
Around the festive board—'tis a pleasing sight—
Wish both of you a long life, free from care,
And health, and strength, and joy beyond compare.

Anniversary Highlights

1938 marks the Thirty-Fifth Anniversary of our congregation. In the arch of the chancel in the sanctuary has hung thruout the year the words—

"35th ANNIVERSARY"

1903

1938

On the pulpit side is a large cross, and on the organ side a large crown, all of which have formed the permanent decoration for the year. The first half of the year was used for the commemoration of the physical and material progress which we have been privileged to make, culminating in a great music festival held during the first week in June, the program of which is incorporated in this Anniversary Book.

During these thirty-five years the congregation has grown from a handful of members to that of the largest congregation in the Augustana Synod. It has erected the original frame church building, the parsonage, the present

church and parish house, and the Educational Building. Its physical and material growth has therefore been of a marked progress.

During the first half of the year we celebrated the first of the "Golden Age Birthday Festivals," and it was on Sunday, February 20, that some seventy-five of our membership who had reached the golden age of seventy years and over, and whose birthdays occur during the first half of the year, were our guests, and some two hundred more had gathered to celebrate this happy event together with them. Pastor Philip Thelander, an octogenarian, was the speaker at this time.

On Sunday, November 20, those whose birthdays occurred after June 30 and who were seventy years of age and over were the honored guests, and a large number accepted the invitation. At this time another eighty-year old pastor, Dr. J. Jespersen, gave the address.

The Ruth Circle had beautifully decorated the dining hall for both festivals. Cardinal red carnations and silver service made the birthday tables most attractive. A birthday cake with lighted candles had also been put in a conspicuous place. The Parish Visitors (Deaconesses) served a hot supper to both groups.

A feature of both of these festivities was the color film which Mr. E. T. Stille made of the groups and which is to be shown at the Congregational Birthday Party on Friday evening, December 30. The festival poem was written by Miss Ella R. Rosengren for the February party, and one by Mr. A. Ahlberg for the November festival.

Another highlight of the year was that of the Testimonial Dinner which the congregation gave in honor of its Pastor on the evening of Thursday, November 17. It was a beautiful affair in which was shown the love and esteem that the congregation has for him who has spent thirty years of labor in Irving Park.

We are thankful to God for the progress which the Irving Park Lutheran Church has been privileged to make, and doubly grateful for the opportunity of celebrating a thirty-fifth anniversary.

TAKEN AT CONFIRMANDS SOCIETY DINNER

*Then framed into this heavenly picture rare,
An aged couple stand as if in prayer,
As holding hands their gaze is aimed above,
These temporal things, unto their God of Love.*

*The keynote of this blessed scene is Peace,
From care and worry and from toil surcease,
The peaceful sunset of a life well spent,
Whose lingering rays are filled with sweet content.*

*The allotted milestones given unto men
Have all been passed—the three score years and ten.
Now are they praying, "Lord, how many more
Before we're called unto the heavenly shore?"*

*Ah, no! They thank the Lord for many years,
For mercy, love, and care that conquer fears.
This borrowed time that God to them does lend
They promise they in love and prayer will spend.*

*They turn. A radiant light shines from their eyes,
For they behold God's rainbow in the skies—
A precious promise of His loving care,
A sweet reminder—God has placed it there.*

*While there they stand, the shadow grows in length
More mellow, softer, and with less of strength,
As if a healing balm on ills they lay,
A benediction on the earth they pray*

*'Tis but a symbol of the influence they
Upon our lives do shed from day to day,—
A blessing born of love, experience, prayer,
Assurance of the Father's tender care.*

*It stretches forth, encircling young and old,
It sweetly beckons all within the fold.
Life's trifling worries it has set aside,
And love, content and peace—these three abide.*

*Time was, at noon of life, their shadows, too,
Were sharp and short. They anxious were "to do."
They worked expecting great results to see,
But now their aim is this, "For Christ to be."*

*To be a blessing unto you and me,
Epistles of God's love to men, to be,
To be true stewards of remaining time,
To be true echoes of God's voice, sublime.*

*And you, dear friend, who've passed the three score ten
The span of life allotted unto men,
When back you gaze across the chain of years,
See times of happiness and times of tears,*

*You linger o'er the happy times gone by,
Re-live them once again thru memory's eye.
How sweet to linger on those joys now past,
Yet know the joy that now you have will last.*

*The tearful times have now been mellowed o'er,
The hand of time has healed the aching sore.
They seem such tiny things in life's great sea
On which we sail to God's eternity.*

*May blessings rich envelop you, dear friend,
May faith uphold you to the very end.
May hope with all its glories light your way.
May God's great love enfold you day by day.*

The Memorial Chapel

At the annual meeting in 1937, the congregation gave Pastor the privilege of appointing a small committee to have charge of the setting up of a Memorial Chapel. The committee consists of Mr. L. M. Nelson, Mr. Robert E. Landon, Mr. E. T. Stille, Mr. C. H. Anderson, and Mrs. Charles H. Rosberg.

The thought leading to the establishment of this chapel was born in a small memorial chapel found among the hills of Switzerland. Europe is full of such chapels, but the beautiful one that gave us this impetus was of about the proportions that ours will have, and in which the loving dead had been memorialized. The object is to perpetuate in a graphic way the memory of those who have left this life.

The chapel which we are contemplating will contain memorial windows, memorial furniture such as an altar, chancel rail, baptismal font, fourteen pews, altar furnishings, candelabras, etc. Each piece of furniture will be dedicated to the memory of the one in remembrance of whom it has been installed. Memorial tablets will grace the walls. A stone floor will be placed which will be dedicated to the memory of some departed one. There will be room for a small organ. We need three thousand dollars before the chapel can be begun, and as soon as this sum has been received, the Memorial Chapel will become a reality. After that we are assured that our people will be so much interested in it that they will want to remember their departed loved ones in this way. In a number of wills the chapel has been remembered. The chapel will be used for small weddings and baptisms, and will be continually open for quiet meditation.

Those for whom memorials have been spoken are: Windows—Mrs. Frieda Landon and Mrs. Alfrida Swenson; Pews—Mrs. Nettie Appelgren, Mr. Fred S. Nelson and Mrs. Charlotte Lindgren; Altar—Dr. M. P. Oden;

Altar Desk — Mrs. Mary Ripka; Cross — Mr. Arthur Carlson; Memorial Hymns — Mrs. Nettie Appelgren and Mrs. Edna Thulin.

Memorials of this kind will be of living purpose rather than that of cold stone waste in the city of the dead.

“Blessed are the dead who die in the Lord from henceforth; yea, saith the Spirit, that they may rest from their labors; for their works follow with them.” — Rev. 14:13.

Saturday greetings to Be 1/46

In the garden of tomorrow - may there bloom for you
Only joyous golden hours and flowers of brightest hue
May friendship grow - on every side From seeds that you
have sown and all the happiness you give
Come back to be your own
